

## PRODUCTS EVALUATION POLICY

In order to encourage new prospects or established customers to try out our products, Arista Corp. is very pleased to provide loan/evaluation units to potential prospects or established customers who are interested in our products. The following conditions must be agreed to in writing prior to making shipment of any loan/evaluation product:

1. The evaluation and credit application form should be submitted for approval prior to evaluation product shipment.
2. Evaluation units are secured at full price by credit term, or credit cards and are invoiced upon shipment. The evaluation units would be shipped by UPS GROUND. There is no cost at all to the customer if the customer chooses to return the loan/evaluation product to Arista Corp. Full credit is issued upon the evaluation product's return under RMA procedures within 30 days. If you wish to keep the evaluation unit the invoice total is due 30 days from invoice date.
3. Faster than UPS GROUND delivery is available at customer's expense. The customers should prepay freight charge by credit card, or provide their shipping account # and shipping requirements.
4. Any product returned to Arista Corp. without an RMA number will be refused and no credit will be issued.
5. If loan/evaluation product is returned in other than "as new" condition, or in packaging other than that originally provided by Arista Corp., damages would be assessed and the cost of repair or refurbishment will be deducted from the credit issued.
6. The freight charges should be paid by customer. Customer must provide their shipping account number if they have any, or prepay freight charges by credit card.
